## **General**

I have recently completed finished an internship in Live Sound Production, Studio sound Recording, mixing and mastering under the Mentorship of Mr. Howard Butcher, owner and Engineer at Peace of Eden Music Studio in Knysna, South Africa.

I am interested in tracking, mixing, post-production, sound design, foley, location recording, broadcasting, music creation, and event organizing.  
I have been playing instruments since the age of 14 and I've performed in several bands and workshops. I have been teaching for 8 years and lecturing for 2.

Having contributed to the music industry as an educator, I wish to develop my Audio Engineering skills in the media industry.

## I am adept at:

- Mix Engineering
- Artist tracking
- Foley
- Location recording
- Composing
- Production (Live, Studio and Events)
- Live sound
- Event Organization
- Installation and Maintenance
- Sound Design
- Dialogue Editing
- Acoustic treatment
- Audio restoration
- Performing
- Presenting
- Lecturing
- Post Production
- Music Catering

## I'm well trained in the following software:

- Protools
- Logic Pro
- Cubase
- Windows and Office
- OSX
